PROGRAM

International students are able to have a better understanding of Chinese culture and a better chance to learn Chinese through this international program launched by Hebei Foreign Studies University every year. On this platform, learners can experience Chinese life and appreciate the local customs, visiting enterprises and schools in China.

In addition to Chinese language learning, participants will have a close contact with tourist attractions and experience local customs and natural landscape.

Chinese courses of our summer school are combined with traditional cultural experiences and historic sites, including small-class Chinese teaching and visits to well-known enterprises, Chinese traditional folk customs and cultural exploration.

Full-Chinese teaching class provide you a perfect language environment to learn Chinese. A general understanding of Chinese history, culture, and social customs is conducive to academic study in China if you have a mind.
